

### CV of Michael Rocks

1. I, Michael Rocks, am a Chartered Land Surveyor (MRICS), by examination, working exclusively in the field of boundary demarcation and boundary disputes.
2. I received my early professional training with the Ordnance Survey. Initially I worked as a Cartographic Draughtsman, compiling permanent master traces for land registration documents. After Ordnance Survey training I worked as a Cartographic Surveyor based in the Ordnance Survey's Nottingham field office updating 1/1250 and 1/2500 plans, using both land survey techniques and aerial photography.
3. I graduated from Nottingham Trent University as a Bachelor of Engineering after studying an Honours programme in Engineering Surveying. My degree was classified as second class honours first division (2:1).
4. I am a member of the Royal Institution of Chartered Surveyors (RICS).
5. I am a Member of the Academy of Experts.
6. I am approved by the RICS Expert Witness Registration Scheme.
7. I am a trained and qualified Mediator having conducted and taken part in a large quantity of Mediations over the past ten years.
8. My OS (Ordnance Survey) Copyright License Number and Digital Copyright License Number is ES100020329.
